Dear Parent/Carer

SPORTS DAY – FRIDAY, 12TH JULY – RACE FOR LIFE

This year we are changing sports day slightly. In previous years, we have run Intersection competitions in the morning but this year we have decided to introduce a RACE for LIFE Schools 5K. This is a legitimate Race for Life - all that is different is that it is a school version. All students will be asked to be sponsored for this event. You can sponsor your child through our official Just Giving Page <https://fundraise.cancerresearchuk.org/page/walton-le-dale-high-school> or you can send donations in prior to the event in an envelope with the sponsorship form included with this letter. Also included with this letter is a back sign for your child to pin to their T-shirt for the Race for Life.

At Walton-le-Dale High School, our community is one which supports each other. We are a small school and have the ability to form strong positive relationships with one another. These relationships are at the heart of what we do and in times of suffering and heartache we really pull together to be there for each other. Many staff and students have been affected by cancer, be it a recent diagnosis, caring for a loved one or losing a loved one. That is why we are working together to complete a 5K on Sports Day to raise money for Cancer Research. Students can complete the 5K by walking, jogging, running, skipping or even three-legged.

The rest of Sports Day will run as normal with athletics events in the afternoon. Please ensure that your child arrives to school in their PE kit, they will not need their uniform. They will also need sun cream and plenty of fluids.

If you have any questions please do not hesitate to contact us.

Yours faithfully
